

Subject's rules for the course: Forensic Medicine with basis of Law, at
Forensic Medicine Department, Wrocław Medical University
for students of the Faculty of Medicine, English Division
Academic year 2021/2022

1. Obligatory subject *Forensic Medicine with basis of Law*, for IV year students, according to the subjects' syllabus (acknowledged by the Dean of the Faculty of Medicine) consists of:
 - lectures – 5h (winter semester)
 - non-clinical classes – 15h (winter semester)
 - autopsies – 10h (summer semester).
2. Description of subject, effects of education and programme of classes is listed in the syllabus of the subject – available in the secretary's office (room 13, 1st floor of the Forensic Medicine Department) and on the Department's website.
3. Only students from the list acknowledged by the Dean's Office will be allowed to participate in the classes.
4. Presence on lectures, seminars and autopsies is obligatory – as stated in the studies regulations of Wrocław Medical University.
5. Student is obligated to make up for the missed class as soon as possible including Dean's and Rector's Hours/Days.
6. To make up for the class a student must come to the class that he/she missed (conducted by the same teacher – see class schedule) and inform the teacher at the beginning of the class that he/she would like to make up for a missed class. A teacher must fill and sign a form for a class make up. This form is given to the student who is obligated to deliver this form to the secretary's office of the Forensic Medicine Department.
7. Any changes of the groups require a written request to the Head of the Department. The request is handed in the secretary's office.
8. To receive a credit for the classes student must attend the classes according to the study regulations and pass the credit test at the end of both semesters.
9. To receive a credit for the whole course students must pass the exam at the end of the summer semester.
10. Credit for the classes (both for winter and summer semester) is required to take the exam.
11. Main form of the exam is a test – 40 single choice questions (5 options). For every correct answer student will get one point. Time for the test is 45 minutes.

Grades:

Points	Grade
0-23	fail (2,0)
24-27	sufficient (3,0)
28-30	sufficiently good (3,5)
31-34	good (4,0)
35-37	good plus (4,5)
